Patient Name	Birth Date	Sex	Type	Exam Description	Date
<a href="#">Doe, Jason</a>	12-25-1991	M	MR	MR Cervical Spine WO	08-30-2013
<a href="#">Doe, Jim</a>	12-26-1992	M	MR	MR Knee WO	08-27-2013
<a href="#">Doe, John</a>	12-27-1993	M	MR	MR Lumbar Spine WO	08-27-2013

### Search

Search for your patients, or patients belonging to other providers in your practice, using common attributes. You can also search for patients outside your practice.

### Messages

Receive and send secure messages directly from the portal. Email communication may compromise protected health information—use the portal’s message feature to communicate securely.

### Filter worklists in ways that make sense to you.

Completed | Scheduled | In Progress | [Edit Tabs](#)

#### Exam Status

See exams by status—completed, scheduled, or in progress.

Ordered | Pending | [Edit Tabs](#)

#### Order Status

See orders by status—ordered or pending.

**FILTER BY PATIENT NAME**

**FILTER** CLEAR

#### Filter by Patient Name

Enter the first or last name to receive a quick-pick list of matching results.

**BY ORDERING PROVIDER**

None selected

#### Filter by Ordering Provider

Filter ordering providers from the display by checking or unchecking them in the drop-down menu.

**BY EXAM TYPE**

None selected

#### Filter by Exam Type

Click to filter exams by modality type.

**BY TIMEFRAME**

Today & Yesterday 7 Days 30 Days 60 Days 90 Days

#### Filter by Timeframe

Click to filter by date timeframes.

### Get Help

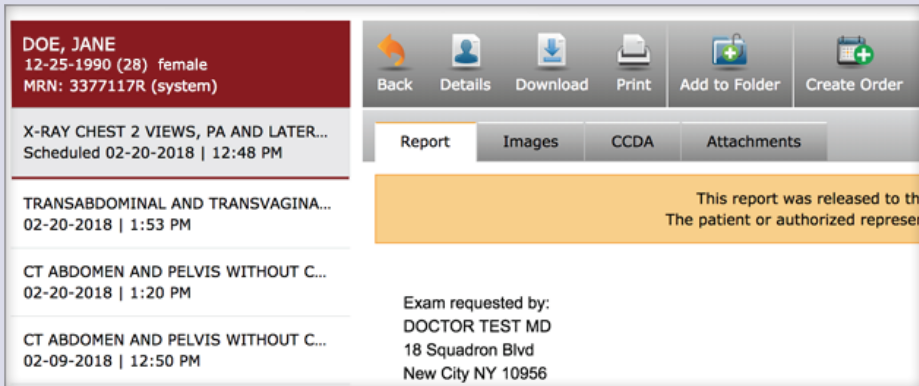

If you need help getting started, solving technical issues, or learning how to use the portal, contact the portal’s Web Team.

### My Folder

Add exams to custom folders for convenient access in the future. Name your folders in ways that make sense to you to help you organize an exam archive.

## View patient's exam history—providing access to reports and images.

**Download Report**  
Download a PDF-copy of the final report.

**Print Report** Print the report using the browser's print function.

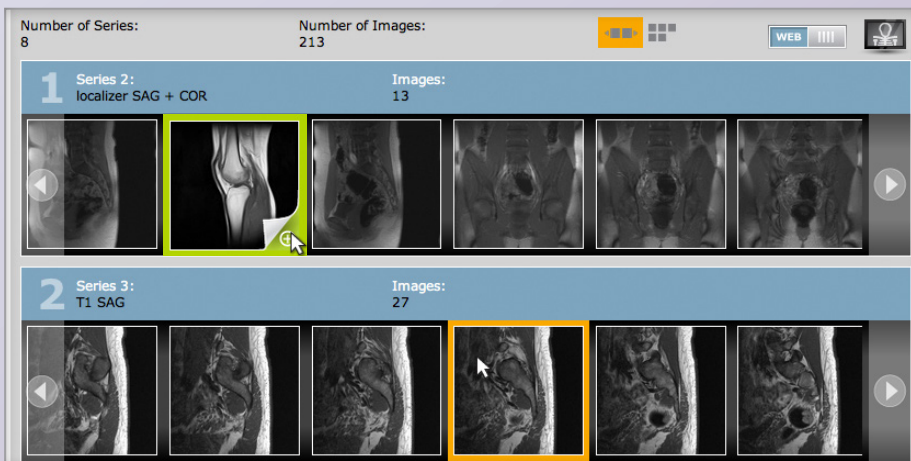

**Add to Folder**  
Add exams to custom folders for convenient access in the future.

**Create Order**  
Create a new order for the selected patient.

## The Images Tab shows all images acquired during the patient's exam, organized in series.

### 3 Image Viewer Options

#### 1. Quick Viewer

Click in the lower-right corner of the thumbnail, indicated by a green highlight, to view a large, static display of the selected image.

#### 2. Web Viewer

Access a basic set of controls to view and manipulate DICOM images with the Web Viewer, which works on any device.

#### 3. Full Viewer

Use a full-featured DICOM viewer that displays diagnostic-quality images. The Full Viewer must be downloaded and installed on your computer.

## Account

The Account Page allows you to define settings that are specific to your portal account:

### My Profile

- Update your personal information, including email and phone numbers.

### Settings

- Refine your view preferences for how patients are displayed on the Home Page and Orders Page.

### Security

- Change your password.
- Change your security answers—these are helpful to retrieve your user ID or password, should you forget in the future.

### Orders

- Change default settings.
- Authorized others to order and schedule on your behalf (ordering providers only). See which providers you can order and schedule for without their review and approval (staff users only).

### Image Viewer

- Define the default Image Viewer.
